FINANCIAL INFORMATION

Family financial information is confidential information; therefore, the Watertown Foundation has chosen to require that scholarship applicants provide information on financial need through the analysis of the FAFSA (*Free Application for Federal Student Aid*). This form is used to apply for federal and state student grants, work-study and loans. In addition, most colleges and universities use information from the FAFSA to award non-federal aid. Graduating high school seniors are encouraged to apply online at www.fafsa.ed.gov. FAFSA applicants receive a report called a *Student Aid Report*, or SAR, through the mail or the Internet. The SAR lists the information reported on the FAFSA, and will report the *Expected Family Contribution*, or EFC. Financial need is the difference between your EFC and your college's cost of attendance as determined by your college. Your application for a scholarship *must* include your EFC. (Financial need is not required for application to the Reinhold and Katie DeWitt Scholarship.) **A copy of the SAR must be submitted directly to the Scholarship Committee, Watertown Foundation, Inc., P.O. Box 117, Watertown, CT 06795.** To determine financial need, the Scholarship Committee uses the Expected Family Contributions (EFC) as determined by the Student Aid Report (SAR) of the FAFSA.
